She was born December 11, 1878 in Mill Gap, Highland County, Virginia, and died December 09, 1967 in Huntersville, Pocahontas County, West Virginia.

Notes for COE BEVERAGE*:

Coe bought the Knapp's Creek Homestead from the Jorden's. Coe living on one side, the side with the parlor, and the Jorden's living on the other side, shared the home during the transfer of the property, which took all winter. Mother believes the Jordan's bought the house from Francis Dever, and believed this is where Dennis Dever was born. The Jordan's are buried at the foot of the mountain behind the homestead. At the base of the mountain there used to be railroad tracks.

Including Knapps Creek, Coe owned 3 farms at one time, The second was the Reed place which is close to Frost. It had lots of fruit trees on the property, apple, crab apple, mulberry and cherry. It also had an old house on it which Coe rented for a few years. When the renter moved, he found the home was in gulfed with bedbugs. Coe burned the house down. Obviously, he didn't like bedbugs.

The other property that Coe owned was called the Aldridge place, which was up behind the Dever's place. Sadie made extra money by boarding out the upstairs on the parlor side to hunters for a few years up until Coe died. The home remained empty after Sadie died (1975) for 2 years. It sold to Walker Beverage, in 1977 for \$28,000.
